PO Box 15757
San Luis Obispo, CA
93406
805-464-0443

The Board of Directors of Central Coast Children's Choir dba Central Coast Youth Chorus has made the decision to proceed with resuming choir activities in August, 2021 with some restrictions.

According to the California Department of Public Health website, at this time all singers and staff will be required to use masks while they are indoors whether they are vaccinated or not and at ALL times when singing either indoors or outdoors. The masks may be removed when they are outdoors (not singing) or when they are eating or drinking. Everyone will have their temperature taken upon arrival at rehearsals and meetings and asked to certify that they are not experiencing any Covid symptoms. These rules apply to any family members who remain on site during the rehearsals.

All community members age 12 and older are now eligible for the vaccine and we strongly encourage all our employees and students to get the vaccine as soon as they have the opportunity if they have not already done so; however, it will not be mandatory at this time. This may be subject to change as we continue to receive new information from the county, state and federal agencies. We recognize each person has different perspectives about being vaccinated, and the choice is personal.

The Board of Directors will continue to address these issues as we continue to receive updated information via the state, federal, and county guidelines.

We want to make sure we are fully prepared to provide a safe environment for all individuals who are working with CCCC dba CCYC.

Thanks for your cooperation.

Sincerely,
CCYC Board of Directors

Mission Statement

The Central Coast Youth Chorus is devoted to creating choral excellence, instilling values of self-discipline and commitment and building lasting friendships while inspiring the artist within each child through the power of music.
